Mr. Somerset Elcid Siang

Chief Executive Officer
Advanced Infinit Technology Solutions Inc.
Unit 304 La Cima, McArthur Highway
Matina, Davao City

Dear Mr. Siang,

I am writing to express my enthusiastic interest in the **IT Professional position** at Advanced Infinit Technology Solutions Inc., as advertised on your official Facebook page. As a 4th-year Bachelor of Science in Information Technology student at the **University of Mindanao**, I have built a robust technical foundation that aligns with the innovative standards of your organization.

My expertise is backed by industry-recognized **IT Specialist certifications** in **Network Security, HTML & CSS, and Databases**. These credentials, combined with my proficiency in **Java, ASP.NET, and Laravel**, allow me to contribute effectively to both front-end and back-end development tasks. My practical skills are further demonstrated through the following projects:

- **Prospera:** A Portfolio Management System developed for the College of Computing Education using **Laravel** to organize and showcase student skills and projects.
- **DineFlow:** A Restaurant Management System built with **ASP.NET** to streamline restaurant operations, including order processing and inventory management.

With a strong focus on **UI/UX design** and **network security**, I am eager to apply my problem-solving abilities and technical aptitude to a dynamic team like yours. I am confident that my background in software development and database administration makes me a

I would welcome the opportunity to discuss how my technical skills and project experience align with your needs. Please feel free to contact me at your convenience. Thank you for your time and consideration.

Sincerely,

Lester Job N. Lopez
